Official Race Registration Requirements

52nd Baja 500

Please read thoroughly as this information has changed for 2020.

Online Registration for the 52nd Baja 500 is open August 10th through September 11th, 2020 8PM PT. Walk-in Registration is also open in the SCORE Ensenada Office now until September 18th, 2020 5PM however entries that come in after the September 11th deadline will not be in the draw, will not be on the Final Entry list, and will not be eligible for qualifying for those racing in qualifying classes. After these registration deadlines, all registration needs will need to be taken care of on race week in Registration and will incur late fees *(see Schedule of Events on our website)*. All Registered Qualifying Teams must Check-In to Registration on Tuesday, September 22nd, 2020 3-8PM or will be removed from the qualifying list. To register online go to Membership & Registration tab on our Race Info page > find the appropriate product (i.e. the DORs would go to the *Race Entry* product whereas the Co-drivers would click on the *Co-driver, Co-Rider, Navigator Race Registration – 52nd Baja 500* in order to complete registration for this race). We now have available in English and Spanish a Step by Step written tutorial on how to perform each registration requirement online; see Registration Step by Step Tutorial. Before you register, we at SCORE International would like to share important guidelines and policies in preparation for a successful and easy team registration:

We will start with some terminology SCORE uses in their operations and registration:

Participant definition: The participant refers to the racer you are registering. Select the participant's name that matches the participant you are registering/filling the application out for, as this tells our system this is the person being registered. New participants and those that **do not** appear on the account holder's list of participants, need to be added to the account in order to register them. **Selecting the wrong name will void the participant's registration, and it will have to be done again correctly to be valid.** To add a participant to your account after logging in, go to My Account > My Participants > +Add New Participant, then input the participant's personal profile information. All participants being registered or registering for a race entry must have a current SCORE Membership on the account prior to registration (see guidelines below for more details). Any questions about participants please contact Registration Department at registration@score-international.com/775-852-8907.

Driver or Rider of Record definition and requirements: Although there may be multiple drivers in a vehicle or riders on the moto or quad only one is designated as the Driver or Rider of Record. This designation is not transferrable between drivers or riders on a team. The Driver or Rider of Record is awarded points, and the SCORE vehicle/moto/quad number assignment, the Race Entry is completed in the Driver or Rider of Record's name, **unless an Alternate has been approved, then the entry MUST be in the Alternate Driver or Rider of Record's name**. Driver or Rider of Record must be the same individual for Championship record keeping, and so forth. Participants above the age of 16 years with a valid, government issued Driver's License can qualify to be the Driver or Rider of

Record. The Race Entry MUST be completed in the Driver, or Rider of Record's name and information. If the wrong information is entered the race entry will be voided.

Co-Drivers and Co-riders definition: Any driver or passenger in a vehicle or rider on a Moto, or Quad that is not titled the Driver of Record nor the Rider of Record. To co-drive a four-wheel vehicle or co-ride a moto/quad, you must be 16 years or older with a valid, government issued driver's license.

Navigator (Only) definition: Any participant that does not have a valid government issued driver's license, is under the age limit, can only be in the vehicle as a Navigator (in the passenger seat), and is prohibited to drive the vehicle. Also refers to any participant under the age of 16 years, contact SCORE Office for more navigator information and registration completion.

Account Holder definition: The person who creates the online Log-in, to register for the races or to buy a SCORE Membership, is the Account Holder. Account holder creates a USER NAME (sample: JohnDoe or JohnDoe@gmail.com) and PASSWORD (sample: gofastJD2019) to access race registrations and SCORE Memberships on the SCORE website. This log-in is created to protect your information. It works just like a log-in for many websites such as online banking, social media accounts, or online shopping. Only the account holder can make changes to the Registrations. On our system the account holder that buys your membership is the only one who can complete the Driver/Rider of Record Official Race Entry registration. See First Step below regarding SCORE Memberships and Race Registration impact.

STEPS FOR OUR REGISTRATION PROCESS:

Step 1: Be a current Member of SCORE International. All drivers/riders of record and co-drivers/co-riders/navigators are required to have purchased a 2020 SCORE Membership to enter a race and be permitted to race with SCORE. Since the system recognizes your Membership purchase through your log-in information, you will need to use the same log-in information (User Name & Password) as you did for the purchase of the 2020 SCORE Membership in order to register for a race. If you do not use the same log-in the system will delete the race registration information inputted at check out. Memberships are valid for one calendar year (Jan 1st-Dec 31st, 2020). Bring your 2020 SCORE Membership card to the races whenever possible, along with your government issued picture ID, and/or driving/riding license. **New for 2020: 2020 SCORE Membership bought online are $75 each. Bought in Registration on race week they are $100 USD cash/pesos only. IMPORTANT: This Membership is NOT a race registration. Anyone can purchase a SCORE Membership however all racers have to be current SCORE Members in order to race. This purchase is non-refundable and non-transferable. Valid email is required.**

Step 2: Acquire a SCORE approved vehicle/moto/quad number. Have your SCORE assigned race number prior to registering for a race. Contact 702-407-3059 if you need a race number assigned to you. A SCORE vehicle/moto/quad number is assigned to one Driver of Record or one Rider of Record per team and valid is for **one year** from the last SCORE race you participated in (i.e. Baja 500 2019 to Baja 500 2020). Beyond one year without racing with SCORE International, you will have to call 702-407-3059 for a new race number. If you are assigned a new number and do not race with it for that anticipated race, you may need to request a re-assignment for the next race you can participate in.

For more detailed information read the Rulebook and Sample Racer Brief which are available online under Race Info. This will help you understand all the requirements to race with SCORE International. Race related questions call 702-407-3059. If you have any specific technical questions please call 619-572-8245.

Step 3: The Driver, Rider, or Alt of Record Race Entry Registration application detailed information you will need:

- **Alternate Rider or Driver of Record** must be pre-approved prior to doing your entry as the entry needs to be in the Alternate Rider or Driver of Record's name. Contact 702-407-3059 for approval. If an emergency situation arises after you have completed the Race Entry you must get the approval first and then contact Registration immediately 775-852-8907 as your entry will be voided and a new one will need to be completed. The entry will now have to be in Alternate Driver or Rider of Record's name and personal info. Please have the medical and emergency info of the Alternate available.
- **Your Class & Vehicle/Moto/Quad Information.** Select the race entry according to your Class. You should already have a SCORE assigned race number, *(see step 2 above for acquiring one before completing the entry).* For media reporting and promotion of your team be prepared to list details of the vehicle/moto/quad such as make, model, HP/CC, engine block manufacturer, transmission builder, etc. The tech department uses this information to ensure you are in the correct 4-wheeled class, along with the chassis tag number to verify current inspection. *See page 5 for more Chassis Tag Inspection Info.*
- **Listing your Sponsors.** Type in your lists horizontally (like a paragraph) as our system only supports typed lists. Use capitals and lower case for names/titles, as well as spaces and commas in between. The way you enter your sponsors will be the way it shows on the Entry List that goes up on the SCORE International website. If BFG is your sponsor, please type it as BFGoodrich Tires. Fox Shox, Monster Energy and others prefer full names instead of abbreviations, or acronyms. Remember, your sponsors are looking at the list too.
- **Listing Co-driver, Co-riders, and Navigators names:** You are requested to enter all your Co-drivers/Co-riders/ Navigator names, ages, hometowns, which is required for them to be permitted to register for the team. It must be updated when the co-drivers/co-riders/navigators change as the names registering as co-drivers/co-riders/navigators for the race must match those listed by the Driver or Rider of Record in order to be banded. **IMPORTANT: Listing names on the Race Entry does NOT register your co-drivers/co-riders/navigators for the race. For the rest of your team to be registered for the race and to be listed on the Entry List, it is mandatory that ALL co-drivers, co-riders, and navigators complete the "Co-driver/Co-rider/Navigator Race Registration – 52nd Baja 500" application in addition to being a current 2020 SCORE Member;** ***see Step 5 for further details on Co-driver/Co-rider/Navigator Race Registration.*** **Navigators under the age of 16 and/or without a driver's license, parent or guardian must contact SCORE Office to register 775-852-8907.**
- **Have your Sport Tag transponder number available.** Transponders are REQUIRED equipment used for timing. Enter the transponder number if you already have one installed on your vehicle/moto/quad. If you already have a transponder, ***your team must bring verification of the transponder number (located under the bar code) in order to pick up the Racer Packet (the easiest method of verification is with your camera phone) and for your team to be entered into the race timing system.*** If you do not have one, answer first question "No, I do not have a transponder" and second question "Yes, I need a transponder" and the system

will automatically charge you for one. The cost is $100. Transponder online purchases are to be picked up at race registration check-in on race week. It is yours to keep, not a rental, so do not return it with the rented tracking device, or other rented equipment. It is not retrievable once lost and you will have to purchase a new one for the next race. You will need zip ties to attach the transponder to your vehicle/moto/quad.

Once you have entered all your data save to cart. You must hit the **COMPLETE ORDER** button to process your order. Without completing your order the entry will remain in your cart and will not be entered into the race as the registration office will not receive your entry.

Entry List Requirements:

Due to the limited time frame, for the 52nd SCORE Baja 500 we will not be posting entry lists weekly but rather after the Journal & Race Program deadline, after the Registration Online Deadline, and after the draw for those registered before the Online Deadline. Any changes, correction to your co-driver/co-riders list, entry information, or sponsor list, email the registration office at registration@score-international.com to make those changes for you. **PLEASE NOTE: The Final Post Draw entry list is the final list that will be published on the website with the start order. Make sure you have your entry in and paid prior to September 11th, 8PM deadline or your team will be removed from the qualifying or draw list. We will not accept any changes to your entry for the Final Entry Pre Draw List after Monday, September 14th, 2020 5PM as we have to submit the list to race officials. Co-drivers, Co-riders, and Navigators that do not have their medical form a.k.a. *Co-driver/Co-rider/Navigator Race Registration – 52nd Baja 500* completed AND have purchased a 2020 SCORE Membership will not be on the entry list.**

Step 4: Paying for the event. The 52nd Baja 500 online registration a $300.00 deposit is required and is applied towards your entry fee *(See Refund Policy below for more details*). The remainder of the balance is due on or before **Friday, September 11th, 2020 8PM PT to be entered in the qualifying list or the draw.** Walk-in Registrations in the Ensenada SCORE Office have until September 18th, but must pay entry in full at the time of registration, deposits are not accepted. **Failure to pay the entry fee in full by the September 11th deadline not be entered in the qualifying or draw lists. Any entry fee paid on race week or after September 11th will be subject to a $200 USD late fee.** *See Schedule of Events for details.*

Methods of payment accepted are credit/debit, wire transfer, a U.S. bank check, and cash/pesos received no later than the deadlines listed below. You can enter & pay online or in the SCORE Ensenada Office until Friday September 11th 2020 within general office hours 9-5PM PT and be listed on the Entry List as long as the team's Race Registration requirement and 2020 SCORE Membership is completed. If registering at SCORE Ensenada Office via paper entry, all fees must be paid in full if paying in cash/wire (USD/Pesos), debit or credit card at the time of registration. **Please be aware if your credit card or debit card has a daily limit as you may have to make an increase with your bank or make multiple payments prior to the September 11th deadline. Refund requests are processed only by the Registration Director. Questions regarding refunds contact registration@score-international.com. Cash payment method for online registrations contact SCORE Ensenada Office 646-120-5635. Hablamos Español.

- Deadline to submit a wire transfer or U.S. bank check is Tuesday, September 8th, 2020 5PM. Contact the Registration Office for wiring information.

- Mail checks to: ATTN: Promote Mexico LLC dba SCORE Marketing 465 S. Meadows Parkway Suite 6, Reno, NV 89521. Only US backed bank checks or Money Orders will be accepted, and must be received by SCORE Marketing Office prior to Tuesday, September 8th, 2020 5 PM PT.

PLEASE NOTE: You will be required to bring a receipt for any payments or 2020 SCORE Membership purchases made online after the registration deadline as the SCORE team may not have internet access in Mexico. Proof of payment after the registration online deadline is your responsibility so you are advised to save your receipt any way possible. Without proof of payment or verification, you may be charged again in order to for you to be banded. Late fee will be applied to your entry if any portion of payment (of any tender) was received after the deadline. Team members cannot be banded until the entry is paid in full.

Method of payment at the on-site Registration Check-in **Cash/Pesos only as we will not be able to process credit nor debit cards.** **Due to Covid-19 precautions we encourage entries and all fees be paid online prior to September 11th deadline.** Checks, are not accepted at Racer Registration Check-in.

IMPORTANT: Full payment of entry is required by the Online Registration Deadline of Friday, September 11th, 2020 8PM to be entered the draw or qualifying for starting positions. Failure to pay in full puts your entry at the back of the start order, just before the rear start requests that have paid in full.

Step 5: Co-Drivers/Co-Riders/Navigators Race Registration. All Co-drivers/Co-riders/Navigators on a team are required to do a separate Race Registration than the Driver, Rider, Alt of Record. For them to race, for them to be covered under the SCORE General Liability and Accident Medical Insurance, and to be listed on the Entry List they must have purchased their 2020 SCORE Membership as well. Go to www.score-international.com > Race Info > Registration > **Select "Co-driver/Co-rider/Navigator Race Registration – 52nd Baja 500"** to register Co-drivers/Co-riders/Navigators for the race. Navigators under the age of 16 years old or any racer without a valid government issued driver's license must contact SCORE Registration Office for race registration at 775-852-8907. To co-drive a four-wheel vehicle or co-ride a moto/quad, you must be 16 years or older with a valid, government issued driver's license. Minors racing require the submission to the Registration Office of all of the following: Parental/Legal Guardian Consent Waiver, a photocopy of Minor's Driver License/ID, and the completion of the required race registration application that is available online.

Step 6: Onsite Team Check-in for the 52nd Baja 500: To be permitted to race all participants must check-in on time at the on-site racer registration and complete all registration requirements to be banded to race *(See **Schedule of Events** for Registration location, times and dates)*. Qualifying Drivers must complete their Registration Check-In Tuesday, September 22nd 8PM PT. All members on the team that are not qualifying must have checked-in and have completed all registration requirements by the scheduled deadline of Friday, September 25th 5PM. Late Entries (walk-ins) will not be accepted after 3 PM on Tech & Contingency Days. *Late check-ins are not accepted, and there is no registration permitted on race-days.* *Due to the Covid-19 Pandemic we may have additional guidelines on Registration*

Check-in procedures sent via email prior to September 18th. *See Notarized Waiver Submission instructions below.*

If any participant feels they cannot personally show at registration check-in and is over the age of 18 with a valid Driver's License, they must complete all of the following steps prior to the Racer Registration Check-in deadline on race week:

1) Notify the Registration Director 775-852-8907 / registration@score-international.com immediately.
2) Have a paid 2020 SCORE Membership.
3) Race Entry completed and all fees paid in full.
4) If the missing participant is a Co-river/Co-rider/Navigator have your **"Co-driver/Co-rider/ Navigator Race Registration – 52nd Baja 500"** application completed online or in person by a teammate at Racer Registration Check-in on race week before the deadline.
5) Print the Race Participant Waiver off the website (must be the revised date 07.30.20 version) and take it to a Notary. Have the **original** signed & Notarized Race Participant Waiver delivered to the Registration Director in one of two ways: A) a teammate bring it to the Racer Registration Check-in prior to the deadline Friday, September 25th, 2020 4PM, or B) Have it mailed to 465 S. Meadows Parkway Suite 6, Reno NV 8952; must be received by September 4th, 2020 5PM PT. Copies can be sent to registration@score-international.com but it is the Registration Director's discretion whether to accept or deny submission and releasing band is not guaranteed with a copy. Original must still be submitted.

After completion of all these steps, another banded team member can pick up the missing participant's band. Minors under the age of 18 must have a Parent or Legal Guardian submit the Minor Waiver and Addendum form and a copy of the minor's Driver's License or Passport along with the notarized waiver. All Registration requirements must be completed prior to waiver submission. Those in Stock UTV Classes must also submit a notarized "Stock UTV Class Participant Addendum" with the notarized race participant waiver.

PLEASE BE ADVISED:

- All are required to comply with all health and safety Covid-19 protocol outlined for race week and during pre-running, no exceptions. This includes wearing a mask.
- Registration at the SCORE Ensenada Office closes September 18th, 2020 5 PM PT. After that date all registration needs will need to be taken care of during race week's onsite racer registration check-in.
- There is no registration permitted on race day, so your team needs to make sure they are fully registered and check-in on the scheduled Racer Registration check-in days, (*see Schedule of Events for location, dates and times*). If a team member does not make it to registration to be banded, did not previously submit paperwork and a notarized waiver, she/he will not be able to race. **If the registered Driver, Rider, or Alt of Record does not show up to be banded by the deadline of Racer Registration check-in, on Friday, September 25, 2020 4PM the entry will be pulled from the race and be subject to no show/late withdrawal fees.** Plan ahead to meet this schedule as Registration closes at 4PM and do not expect to be banded or complete registration in any form on your way to the Rider's/Driver' Meeting.
- Any Driver or Record or Rider of Record with multiple entries in the same class will need special assistance with registration so must contact the Registration Director first at 775-852-8907/registration@score-international.com prior to fill out entry application.

- Even if you are in race gear government issued driver's license or ID is still required for banding.
- Up to five registered Co-drivers/Co-riders/Navigators with SCORE Memberships are covered under one Race Entry. Beyond five Co-drivers/Co-riders/Navigators, any additional racers on a team will be required to purchase SCORE general Liability and Medical Accident Insurance coverage prior to being allowed to race. This $65 USD fee is charged at Registration Check-In and is non-refundable.
- If co-driving/co-riding/navigating for multiple teams you'll have to be banded for each team or the team could face penalties, **so put all team race numbers that you will be racing with in the vehicle/moto/quad race number question within your one registration application.** Multiple Race Registrations for each team are not necessary, except for a Registered Driver/Rider of Record that is also participating a co-driver/co-rider/navigator on another team, then two registrations are required. Contact Registration Director for assistance 775-852-8907/registration@score-international.com.
- MINORS RACING: Any participant under the age of 18 years of age at the start date of the race event, will be required to have a parent or legal guardian present at the race to fill out and sign Minor Consent form, sign a Race Participant Waiver form, and provide a copy of government issued, valid Driver's License AND the Co-driver/Co-rider/Navigator Required Race Registration application must completed. Navigators under the age of 16 and are not legally permitted to drive must bring government issued photo ID (i.e. school, passport) and parent or legal guardian to racer registration check-in. Contact Registration Director for assistance in registering any minors to participate in the race.
- If you have difficulty registering for the race as a Driver, Rider, or Alt of Record and someone has already purchased your 2020 SCORE Membership earlier this year, you will need to contact the Registration Office 775-852-8907 to fix your account you are trying to register under. 2020 Memberships purchased at Registration Check-In will cost $100. These paper membership applications can take a significant time to process. It is strongly advised that you purchase your 2020 SCORE Membership **online** for $75 rather than at registration check-in.
- Late Registration refers to any race entry not completed nor entry fees paid in full by the Registration deadlines; *see Step 4: Paying for the event*. If not completed online or in the SCORE Ensenada Office by this deadline date then all late registration requirements must be completed on Race Week in Registration Check-in prior to the deadline on Friday, September 25th 2020 4PM for the team to be able to race. Any team that registers the vehicle/moto/quad or completes entry payment in Ensenada at Registration Check-In can pay in cash (USD/Pesos) only the late fee of $200 USD does apply for the entry and $100 for each on-site Membership. Registrations after the September 11th deadline will not be entered into the draw or allowed to qualifying for start positions for this race, and will not be on the final entry list posted online as they are considered Walk-in Entries. Such registrations will fall accordingly behind those teams that are registered and with entries paid in full.
- AQUIRING OR RENEWING A CHASSIS TAG NUMBER: All 4-wheel vehicle classes require a chassis inspection. Your official race entry application asks for the Chassis Tag number. Your

SCORE chassis tag must be current before Tech & Contingency days open. If you need to schedule a chassis tag inspection prior to race week email tech@score-international.com with your full name, SCORE assigned race number, contact info, and vehicle location. Tech department questions call 619-572-8245. All payments, and scheduling for Chassis Inspections are arranged directly with the SCORE Tech team and cannot be collected by registration.

- **Refund policy:** SCORE Memberships are non-refundable and non-transferrable. Race entry refund requests made to the Registration Office PRIOR to the opening of pre-running will receive a full refund. After that date any requested refunds or race no shows will be subject to a minimum $300 Administrative Fee plus Insurance Fees. Please submit refund requests to registration@score-international.com or contact via phone 775-852-8907.

By submitting this application for participation in the 52nd Baja 500, you are acknowledging it is the responsibility of each race participant to read and thoroughly understand the Racer Brief, Penalty Bulletin, the 2020 SCORE Rule Book and all applicable waivers.

SCORE TRACKING:

Stella EVO Units will be used for this event for all classes. Visit Anube Sport America website if need to purchase a new accessory kit https://usa.anubesport.com/product-category/score-international/ You are required to watch the safety video available on our website: http://score-international.com/raceinfo/stella-iii-evo-video-english/ and learn how to accurately use it prior to race day. After the race if you still have the Stella EVO Unit please return to "**Anube Sport America PO Box at 641 E. San Ysidro Blvd #B3-1258, San Ysidro, CA 92173"** within a week of the race or you will be charged full retail price (See *Racer Brief* for further details). Email tracking number to info@anube.es so they know the unit is on its way and do not charge you for it. DO NOT send the unit to the SCORE Office as we are not liable for the Stella Unit returns.

This is a very dangerous sport!

Racing in Mexico takes patience and fortitude.

Savor every moment of the experience...beginning with registration! ;-)

We appreciate your brave participation and so do the fans!

See you at the races!
