Important Controlled Access Area Information

Revised 8.17.20

The SCORE Baja 500 is a 100% restricted access event with a limited number of team members allowed and no spectators. This is a preliminary document to assist you with your planning. A final policy document will be available on Thursday, September 10th at 6:00 pm. on the SCORE website, Race Info, the Baja 500, Controlled Access

Due to the COVID-19 situation all race activities will be conducted under the strict health guidelines of a government approved Biosecurity Protocol. The use of Personal Protective Equipment (PPE) and social distancing will be required. SCORE will provide registered race team's detailed information related to COVID-19 protocols during the next few weeks. Register early to ensure you receive this vital information.

All persons eligible for access to restricted areas must register with SCORE, sign waivers, and receive SCORE wristbands to access event areas. Wristbands must be worn at all times to access all restricted areas. It is the responsibility of each team member to read, understand, and follow the requirements. Failure to sign waivers, be banded, and follow health protocols will result in persons being removed from the restricted areas and can result in team penalties.

In addition to the Drivers of Record, Riders of Record, Co-Drivers, Co-Riders, and Navigators each team can request wristbands for up to four (4) essential team persons. The definition of an essential team person is someone absolutely necessary to service or repair the race vehicle or extremely important to the operation of the race team. No essential team person can be under the age of 16. All essential team persons must have a picture ID with them at all times as the name on their wristband will be checked against the ID at each entrance.

Live streaming will be available on the SCORE website.

Arrival at El Dorado Ranch (EDR)

At the entrance gate you must stop and obtain a temporary wristband to allow you to go to the Pavilion where registration is being held. This wristband will be removed in registration and replaced with a race weekend wristband. Anyone found in a restricted area with a temporary wristband will be removed from the premises. Wristbands issued by anyone other than SCORE are not valid for access.

Registration Access

The on-site Registration area is limited to persons entering the race as a participant and up to four (4) essential team persons. All must sign waivers and obtain a race weekend wristband.

You can reduce the number of persons having to appear in person at on-site registration by utilizing the notarized *Participant and a Stock UTV* (if applicable) waiver form. You will find documentation on the use of notarized waiver forms by going to Race Info page under the Baja 500 logo. To receive wristbands by mail, waiver forms must be received in the Registration office by Friday, September 4th. If forms are not received by the deadline, someone from the team will have to pick up wristbands at on-site registration.

All Drivers of Record, Riders of Record, Co-drivers, Co-Riders, and Navigators not submitting a notarized waiver must appear in person to register. Waiver forms are also available for pickup in the SCORE Ensenada office.

Essential team persons do not have to attend registration if they use the waiver form titled *Controlled Access Area.* Simply print this waiver form from the SCORE website, (select Race Info, the Baja 500, Waivers), and have up to four (4) persons sign this form. Bring these signed Controlled Access waiver forms to Registration. The Controlled Access waiver can be submitted with the signed notarized Participant waiver forms and wristbands will be mailed.

Registration Access - *continued*

All signatures **must be original**, you cannot have one person complete and sign for others. When you present the waiver form(s) to Registration, if any signature appears it is not original, you will not receive a wristband for that person.

Controlled Access waiver forms are also available for pickup in the SCORE Ensenada office.

All participants and essential team persons must sign waivers and be banded by Friday, September 25th at 4:00pm.

There will be NO WRISTBANDS AVAILBLE AT THE FINISH AREA ENTRANCE. Wristbands must be obtained during Registration hours.
