Inaugural Lucerna SCORE Baja 400
Important Pre-Race Information

- **Race Mileage / Start Times / Time Limit** - Total course distance 400.00 miles. Moto and quads start at **6:20 am.** First Trophy Truck is off the line at **10:00** am. Time limit is **16 hours** for all competitors. Minimum average speed is 25.0 mph (40.23 kph).
- **Pre-running begins 8am Saturday, Sept. 7**. Course is open from **Rm 38.80 to Rm 360.79.** Outbound section **Start to Rm 38.80** is only open beginning Thursday, September 19th. There is **NO INBOUND** running allowed at any time from **Rm 360.79 to Finish.** All entry fees must be paid in advance of pre-running to be covered by the SCORE insurance.
- **On-course Checkpoints** - Total of three (3) located at Rm 96.91, Rm 230.15 and Rm 321.94.
- **Speed Zone 6** - Begins after Checkpoint 2 and is a speed and timed zone with a fixed time to travel this 13.49 mile section. Racer Brief (available next week) will have additional information on this Speed Zone.
- **Friday Mandatory Racer Meeting** - Driver and Rider Meeting is **7:00pm**. Meeting will be at Torre Lucerna Hotel in Ensenada. A banded member of each team is required to attend.
- **All Sportsman Classes, and Classes 9 and 11** must use **Shortcut** beginning at **Rm 153.46** and re-entering main course at **Rm 168.0**. Total shortcut distance is **3.46 miles.** Per Jose, our Race Director, it's a short distance but bypasses a slow, very tough 11.08 mile section of course!
- **Hydration is a must for all racers!** Do not wait until race morning to start hydrating! Experts recommend starting at least 48 hours before strenuous exercise!
- **Moto and Quad Riders** are required to have a hydration pack and rear facing high-intensity flashing LED light on helmet or upper area of backpack. Minimum bladder capacity is one (1) liter, and two (2) liter capacity is required if temperature is expected over 80° F (26.7° C). Riders will be checked during Tech and at start line. You will not be allowed to start without this equipment.
- **Stella III to Stella III EVO unit is Mandatory** – If you have a Stella III unit and have not raced with SCORE in 2019, you must upgrade your Stella power cord and antenna for the Stella III EVO device. If you have not raced with SCORE previously you must purchase a Stella III assembly kit. Brackets and upgrades can be purchased during Pre-Tech Wednesday, September 18th. **All on-site purchases are cash only.**
- **Stella EVO Safety Video** - ***A MUST VIEWING for all team members!*** The video is available on the SCORE website > Race Info > SCORE Tracking > select Stella Video.
- **Driving Race Vehicles on public streets.** We have been advised that your race vehicles may be driven to and from the Ensenada start-finish area. **BUT… You must obey all traffic regulations!**
- **Chassis Inspections and Pre-Tech** is from 9 am to 5 pm on Wednesday, Sept. 18. at Playa Hermosa Beach located 1.1 miles south of Riviera del Pacifico CC. Vehicles that pre-tech Wednesday will have preference moving through the tech line on Thursday and Friday. If you need to schedule a chassis inspection or re-inspection contact tech@score-international.com.
- **Vehicle Numbers** must meet all specifications in SCORE **Competition Regulation CR-50.** Numbers must be in position on vehicle when vehicle enters tech inspection area.
- **Tech Inspection Days** - You must go to Registration and sign waivers **before** your vehicle enters into the tech inspection line. Vehicles entering tech line must have driver packet (from registration) accompany vehicle! No driver packet will delay your entering tech! A Banded Participant must operate or steer vehicle entire tech route.

Important Pre-Race Information

Tech Inspection Days - *continued*

Hours are 9:00 am to 6:00 pm on Thursday and Friday, Sept. 19th and 20th. Drivers, Co-Drivers and Navigators must present helmet, driving suit and HNR device for compliance checking. Moto and quad riders must present helmet for checking. Participants who are minors must bring their safety gear and appear in person at Tech to have all safety gear checked.

- **Contingency Declaration Form** is in your racer envelope. Complete the top section of this form and check only the manufacturers whose products you have on the race vehicle. You must have manufacturer stickers on vehicle to be eligible for possible awards.
- **Banded Race Participants** - Must wear SCORE issued wristbands for entry into restricted areas including start/finish areas. Highly recommended that participant bands should be worn entire race weekend.
- **Team Support Persons** – Pit crews, sponsors, family and friends, must sign waivers and receive wristbands to enter post-race area to greet their team after the finish ramp.

  To obtain the necessary waiver forms for Team Support Persons go to the Score Website, select Race Info, select the Baja 400 logo, and scroll down and select the Waivers menu item. Select the Waiver titled ***Controlled Access Area*** and print it**.** For anyone under the age of 18 you will also need to print and complete the ***Minors*** waiver form. (Forms are also available in the Ensenada office.) Have each person read and sign the waiver form and complete the minor form for each person under 18. **It is highly recommended that you bring the completed forms to on-site Registration to obtain your Team Support Persons wristbands.** It is required that each signature be original. You cannot have one person write down and sign for everyone. When you bring the form to Registration, if a signature looks non-original, you will not receive a band for that person. Parents can sign for anyone under the age of 7. Minors must be supervised by an adult at all times.
