Preliminary Controlled Access Area Information

Issued 8.10.20

The SCORE Baja 500 is a 100% restricted access event with limited team members allowed and no spectators. This is a preliminary document to assist you with your planning. A final policy document will be available on Thursday, September 10th at 6:00 pm. on the SCORE website, Race Info, the Baja 500, Controlled Access

Due to the COVID-19 situation all race activities will be conducted under the strict health guidelines of a government approved Biosecurity Protocol. SCORE will provide registered race teams information related to COVID-19 protocols during the next few weeks. Register early to ensure you receive this vital information

All persons with access to restricted areas must register with SCORE, sign waivers, and have wristbands to access any restricted area. It is the responsibility of each team member to read, understand, and follow the requirements. Failure to sign waivers and to be banded will result in persons being removed from the areas and can result in team penalties.

In addition to Drivers of Record, Riders of Record, Co-drivers, Co-Riders, and Navigators each team can request access for up to four (4) essential team persons. The definition of an essential team person is someone absolutely necessary to service or repair the race vehicle or extremely important to the operation of the race team. No essential team person can be under the age of 16. All essential team persons must have a picture ID with them at all times as the name on their band will be checked against the ID at each entrance.

Spectators and chase team members will be allowed around the course. Live streaming will be available on the SCORE website.

Arrival at El Dorado Ranch

At the entrance you must stop and obtain a temporary wristband to allow you to go to the Pavilion where registration is being held. This wristband will be removed in registration and replaced with a race weekend band. Anyone found in a restricted area with a temporary band will be removed from the premises. Bands issued by anyone other than SCORE are not valid for access.

Registration Access

The on-site Registration area is limited to persons entering the race as a participant and up to four (4) essential team persons. All must sign waivers and obtain a race weekend band.

You can reduce the number of persons having to appear in person at on-site registration by utilizing the notarized *Participant and a Stock UTV* (if applicable) waiver form. You will find documentation on the use of notarized waiver forms by going to Race Info page under the Baja 500 logo. All Drivers of Record, Riders of Record, Co-drivers, Co-Riders, and Navigators not submitting a notarized waiver must appear in person to register. Printed Waiver forms are also available for pickup in the SCORE Ensenada office.

Essential team persons do not have to attend registration if they use the waiver form titled *Controlled Access Area.* Simply print this waiver form from the SCORE website, (select Race Info, the Baja 500, Waivers), and have up to four (4) persons sign this form. Bring these signed Controlled Access waiver forms to Registration.

All signatures must be original, you cannot have one person complete and sign for everyone else. When you present the waiver form(s) to Registration, if any signature appears it is not original, you will not receive a band for that person.

Registration Access - *continued*

Controlled Access waiver forms are available for pickup in the SCORE Ensenada office for teams that cannot print from the website.

All participants and essential team persons must be banded by Friday at 5:00pm. No bands will be available at the start, tech/contingency or finish areas.

For registration assistance contact Audi at 775.852-8907 or registration@score-international.com

Qualifying Access

Qualifying classes will be provided a site arrival time as all classes will not be in the area at one time. A schedule and qualifying order will be emailed to you by Sept. 15th at 5:00 pm.

There will be two areas at qualifying, an offload staging area and a restricted access area. Banded team members will be allowed into the staging area. Only the driver, co-driver, and two (2) essential team members will be allowed in the restricted area.

Teams will be given one practice lap and then will stage for qualifying runs.

Pre-Tech Access

These functions will be at El Dorado Ranch. The actual location within El Dorado Ranch and restricted access requirements will be available later.

Tech/Contingency Access

Only banded race participants and banded essential team members will be permitted on Thursday and Friday. No spectators will be allowed. Make sure to go to registration prior to placing vehicle in tech line. The top 10 Trophy Truck qualifiers will start the line on Friday.

Baja 500 Start Area

Currently we are planning an area for teams to stage that will allow essential team members. However, once the vehicle enters the restricted start area only the participants starting the race will be allowed.

Baja 500 Finish Area

Only banded race participants finishing in or on vehicle will be allowed in the finish area. All other banded team members MUST remain outside of the restricted area. There is one exception:

Each team may request one (1) band of a different color. This band allows one of the team's essential persons or their banded participants to access the finish area. Band does not allow ramp access in the finish area. Band is Tyvek (paper); do not put it on until you are headed to the finish area. If you lose or damage this one-time band, it CANNOT be replaced!

When a vehicle comes down off the finish interview ramp, stop but **do not exit** the vehicle. You will be handed the team finisher medals. If you are the first official finisher, you will receive your Champagne and flag. Then immediately leave the restricted area and meet up with your team out of the restricted area.

SCORE Team Media Credentials

SCORE Team Media Credential request applications are now online (under SCORE Media tab on the SCORE Website) and will be open until 8 p.m. on Friday, Sept. 11. There will be no on-site SCORE Team Media credential requests accepted, only signing in the preregistered individuals. Because of the health and safety protocols, access to designated media areas will be limited.

Awards

Trophy pick-up will be at The Pavilion at El Dorado Ranch; only the Driver/Rider of Record or one person representing the team may enter the Pavilion to pick up the award. All other individuals must remain outside.
