2021 SCORE Race Season Is Here!

San Felipe 250 Applications Open Tuesday, February 16. – Online applications will continue until 8 pm Friday, March 26. Accepting applications in-person in the Ensenada office will continue until 5 pm Wednesday, April 7.

Information regarding the registration process, including the new digital membership card is available on the SCORE website, select Race Info select the San Felipe logo, and then select Registration Information or select the link below. Reminder: All Driver/Rider of Record, co-driver/co-riders, and navigators must purchase SCORE memberships and register for each event.

Qualifications - The start order will be determined by date and time application is received.

San Felipe Schedule of Events – All deadlines must be met in order to race so be certain and review the schedule. A detailed schedule is now available using the link below or going to the SCORE website, select Race Info, and then select San Felipe logo.

2021 SCORE Rule Book – The SCORE Rule Book has been updated for 2021. It is important that all participants review the rule book prior to entering each race. To assist returning race teams, there is a 2021 Updates section summarizing the 2021 changes. This **IMPORTANT** section is updated several times during the year as changes and additions occur to the rule book contents.

We strongly recommend General Regulations and Policies be reviewed in detail as many subjects have been updated. For example: There are new restrictions on the number of team members allowed on each team. Sportsman Moto/Quad Champions, and 2nd and 3rd place finishers must transfer to a pro class in 2022. Also, Pro Moto Limited displacement range is now 200cc – 450cc.

Pro Quad Ironman and Pro UTV Open – Pro Quad Ironman is a new class for the 2021 season. Come test your skills on the challenging SCORE courses. Pro UTV Unlimited has been renamed and technical rules updated.

Vehicle Numbers – If you have not raced a SCORE event since 2020, your vehicle number may no longer be valid per SCORE Rule **GVN 2**. Contact SCORE Marketing at (702) 407-3059 to verify your number or to obtain a new number

Chassis Inspections – All four wheel vehicles must have current tags to qualify and to enter each event. We strongly recommend that inspections be completed as soon as possible to avoid delays near race weekend. Appointments are available now by calling (619) 572-8245 or email tech@score-international.com.
