Engines must be normally aspirated

GENERAL REGULATIONS

Entrants in this class shall comply with all applicable general regulations.

COMPETITION REGULATIONS

This class is an open production class and all components will be considered open unless restricted herein.

NOTE: *The CR abbreviations listed under this class (i.e.CR1 HELMETS) refer to cross reference listings in the Competition Regulation section on this website. These cross-referenced listings are part of the class rules. Where a conflict occurs between the cross- referenced listing and a rule contained under this class, the rule contained under this class has precedence.*

CR50 IDENTIFICATION MARKINGS

Vehicle numbers will be permanently assigned to each driver in this class. Numbers 100-109 is reserved for the prior year's driver standings for positions 100-109 respectfully. Numbers 110-199 will be available for assignment. Drivers who have used a number in the prior year's season will be given first option for the same number for the current season.

All vehicles in this class are required to run a "sun visor". This sun visor must be located in the front windshield opening. This visor must be a minimum of five (5) inches wide from the top of the windshield opening and extend from A-Pillar to A-Pillar.

SCORE International will use this visor area in its entirety for its advertising purposes.
