2017 SCORE BAJA 1000 PIT SUPPORT

MAG-7 is ready to help your team cross the finish line at the 50th anniversary running of the Baja 1000! Our pits will be servicing all classes of SCORE race vehicles at the following prices:

Moto/Quad Full Service = *$975 + fuel order*
Moto/Quad Emergency Only = *$450*

UTV Full Service = *$975 + fuel order*
UTV Emergency Only = *$450*

Cars/Trucks Full Service = *$975 + fuel order*
Cars/Trucks Emergency Only = *$450*

IMPORTANT: Online registration will open when the course map is released by SCORE in October. Lock in your spot on our racer list now by emailing MAG-7 Race Director Geoff Hill: geoff@bajabound.com and we will contact you when registration opens!

About MAG-7 Pits

MAG-7 has been racing Baja since 1967 and this is what we love to do! For this Baja 1000, MAG-7 will have pits staged approximately every 60 miles. Our full service pits have experienced crews who are ready to support your race effort! Our pits are stocked with oil, lubes, power tools, air tools, welders, generators, CO2, jacks, electrical power, radio comms and more! For emergency service you can pull into any of our pits and get assistance you need to stay in the race. For full service we will buy and haul your race fuel to the pits you designate and supply all of the dry breaks, Jaz cans and 11-gallon dump cans. Give us your tires, spare parts and supplies and we will haul it all out to the pits for you. Racing in Baja is our passion...let us help your team cross the finish line! Online registration will close on Friday November 10th! Visit us online at www.mag7race.com.
