Baja 1000 Important Updates/Reminders

CHANGE TO SPEED ZONES 2 AND 21

Speed Zones **SZ 2** and **SZ 21** distances have been increased. **SZ 2** now starts at Rm 1.70 and ends at Rm 11.50. Speed Zone **SZ 21** now starts at Rm 795.26 and ends at Rm 805.06. New GPS files will be available Tuesday, Nov. 13 before pre-running begins for this section on Wednesday, Nov. 14.

NEW GPS FILES WILL POST TUESDAY AT 5 PM

Files will be post on the SCORE website > Race Info > Baja 1000 menu > GPS Files

New files will include the revised speed zone information. We will release two sets of GPS files on Tuesday for you to select from. One will be the start/finish area (start to RM 38.40) and inbound from 767.26 to the finish. The second option is to download the full course.

OUTBOUND PRE-RUNNING DATES

Pre-running outbound from start to **Rm 38.40** will be allowed **Wednesday, Nov. 14th. and Thursday, Nov 15th from 8 am to 6pm.** No inbound pre-running is allowed at any time from **Rm 767.26 to finish**. Pre-running inbound could result in penalties. Use caution at all times as many of the roads and trails in this area used for local traffic.

ONE ADDITIONAL VCP ADDED

An additional VCP designated VCP A has been added at Rm 542.69. Please note on your files.

WAIVER FORMS REMINDER

All Drivers/Co-Drivers/Navigators and Riders/Co-Riders are required to register and sign waiver forms. **IMPORTANT -** If there is no waiver form signed by the DOR / ROR by 4pm.Thursday November 15th your entry will be withdrawn from the event and you will not be allowed to start. **You will not be able to sign waivers at the Torre Lucerna Hotel Drivers Meeting.**

CAUTION… Having a co-driver/navigator or co-rider sign the form ***does not make the entry complete.***

STELLA EVO REMINDER

Trophy Truck/Trophy Truck Legends, Class One, and TT Spec classes will use the Stella EVO unit for this event. If you are in one of these classes and have a Stella III assembly kit from a prior race, you must upgrade your power cord and antennas. If you have not already purchased these upgrades ($50) or purchased your EVO assembly kit, you must go to Pre-Tech on Monday or Tuesday to purchase and install the equipment. Do not wait until Tech day or you will delay the process for your team and others.

RIDER BACKPACK LIGHT REQUIRED FOR MOTOS AND QUADS

Moto's and Quads are required to have a rear facing high-intensity flashing LED light on their helmet or upper area of backpack. These lights will be checked during tech inspection and also before start line on race day. Each rider must have their own light.

WATER SUPPLY REMINDER

All entries will be checked for adequate water supply in vehicle or on moto/quad rider just prior to start. Vehicles without adequate water supply for occupants or riders will not be allowed to start!

HELMET AND HANS DEVICES

Helmets and HANS devices must be inspected at Tech. Both items must have current race inspection stickers. These will be checked just prior to start of race!

UNOFFICIAL & OFFICIAL RESULTS POSTING AND INQUIRIES

Unofficial finishers will be posted in the media area periodically during the race. Official finishers will be posted at 6:30 am at the SCORE semi, SCORE Office and online. Any inquiries on results must be made to SCORE no later than 8:00 am. at the SCORE office located behind the 7 To Eleven across from the start finish line.
