**SUBJECT: BFGOODRICH RACE & TIRE SUPPORT -- SCORE SAN FELIPE 250 RACE**

**2 BFGoodrich Pits at this race**

---

Greetings everyone,

BFGoodrich Tires will once again provide on-site tire and race support at all SCORE races. The only races we will require you to pre-register in order to get the USR file and Pit support are the Baja 500 and Baja 1000. For San Felipe we will provide a map packet to include Map, Race Notes and Chase Access notes along with a USR file at our **noon** Pit meeting on Friday at contingency. Please sign up for pitting at contingency on Thursday or Friday prior to the Pit Meeting. Full Service means you plan on fueling with us and Emergency Service means you will stop only if you have a problem.

BFGoodrich Tires will be on site at contingency both Thursday and Friday providing tire mounting services and then move out to the desert for Pit Services on Friday around 3:00PM. At San Felipe, we will be providing pit services at **Race Mile 138** and **Race Mile 256**. The pit meeting will be at **noon in contingency on Friday at the BFGoodrich Truck.** You can drop off pit supplies on Thursday or Friday of contingency. Please make arrangements with your fuel supplier to deliver fuel to our pit location unless you have made other arrangements. We will provide any last minute details or information as well as hand out map booklets at the Pit meeting. We can haul your spare tires or parts out to our pit location or you can deliver them.

To order BFGoodrich Race tires, decals, or uniform patches please call 1-800-racebfg (722-3234).

Good luck this season! We look forward to seeing you at San Felipe!
