52nd Annual BFGoodrich SCORE Baja 1000
Important Pre-Run and Pre-Race Notes

- **Race Mileage / Start Times / Time Limit** - Total course distance **800.5** miles. Moto and quads start at **3:00 am.** First Trophy Truck starts at **10:30** am. Time limit is **34 hours** for all competitors.
- **Pre-running -** Course is open from **Rm 39.10 to Rm 761.20.** Outbound section from Ensenada **Start to Rm 39.10** is only open beginning **Tuesday, November 19th**. There is **NO INBOUND** running allowed at any time from **Rm 761.20 to Finish.** GPS files now posted on our website.
- **On-course Checkpoints** - Total of three (3) located at Rm **224.25**, Rm **535.94** and Rm **708.50.**
- **Insurance coverage** during pre-running goes into effect when memberships are purchased, and all drivers, riders, co-drivers, co-riders and navigators registration fees are paid in full. If fees have not been paid in full before pre-running, you are pre-running at your own risk!
- **WEDNESDAY Mandatory Racer Meeting** - Driver and Rider Meeting is **7:00pm**. Meeting will be at Torre Lucerna Hotel in Ensenada. A banded member of each team must attend.
- **All Sportsman Classes, and Classes BC, 7sx, 9 and 11** must use **Shortcuts… No.1** begins at **Rm 282.70** and re-enters main course at **Rm 298.27**. **No.2** starts at **Rm 384.85** and ends at Rm **476.66**. Total shortcut distance is **107.38 miles. Race distance with shortcut is 693.12 miles**.
- **Hydration is a must for all racers!** Do not wait until race morning to start hydrating! Experts recommend starting at least 48 hours before strenuous exercise!
- **Moto and Quad Riders** are required to have a hydration pack and rear facing high-intensity flashing LED light on helmet or upper area of backpack. Minimum hydration pack capacity is one (1) liter. Riders will be checked at both Tech and start line, and not allowed to start without this equipment.
- **Upgrading Stella III to Stella III EVO units is Mandatory** – If you have a Stella III unit and have not raced with SCORE in 2019, you must upgrade your Stella power cord and antenna for the Stella III EVO device. Stella III EVO kits, and Stella III upgrade kits and brackets can be purchased during **Pre-Tech Tuesday, Nov. 19th. All on-site purchases are cash only.**
- **Stella EVO Safety Video** - ***A MUST VIEWING for all team members!*** The video is available on the SCORE website > Race Info > SCORE Tracking > select Stella Video.
- **Driving Race Vehicles on public streets.** We have been advised that your race vehicles may be driven to and from the Ensenada start-finish area. **BUT… You must obey all traffic regulations!**
- **Chassis Inspections and Pre-Tech** is from 9 am to 5 pm on Tuesday, Nov. 19th. at Playa Hermosa Beach 1.1 miles south of Riviera del Pacifico CC. If you still need to schedule a chassis inspection or re-inspection contact tech@score-international.com.
- **Vehicle Numbers** must meet all specifications in SCORE **Competition Regulation CR-50.**
- **Tech Inspection Days** - Hours are 9:00 am to 6:00 pm on Wednesday and Thursday, Nov. 20th and 21st. **A Banded Participant must operate vehicle entire tech route.** Drivers/Co-Drivers must present helmet, driving suit and HNR device for approval. Moto and quad riders must present helmet for approval. Minor participants must bring their safety gear and appear in person at Tech to have all safety gear approved for correct fit.
- **First Aid Kit** - All vehicles including motos and quads must have first aid kit available at tech inspection. Refer to **Competition Regulation CR-4** for list of required contents.
- **Banded Race Participants** - Must wear SCORE issued wristbands at all times for entry into restricted areas on race days.
- **Team Support Persons** – Pit crews, sponsors, family and friends, must sign waivers and receive wristbands to enter post-race area. Refer to ***Access to Race Finish Area*** information under Race Info on our website.
