Contingency Awards

Registering for Contingency at all SCORE International events is an opportunity for SCORE Baja racers to possibly earn additional monetary awards, products or services from SCORE Contingency sponsors participating in our 2019 contingency program.

There is no cost to SCORE drivers and riders to register for this opportunity to participate in our SCORE 2019 contingency program. You must comply with all the vendor requirements and follow the directions below:

Do the following steps on Tech/Contingency day to register:

1. **Plan ahead… Obtain and have stickers on both sides of your race vehicle for the products you have installed on your vehicle – tires, wheels, shocks and other race related components. Limited quantities of stickers may be available in Contingency. Best to plan ahead to get and apply stickers you need!**
2. **Locate the Contingency Declaration form found in the Driver envelope you receive when you complete your registration in Ensenada**
3. **Driver or Rider of Record MUST COMPLETE top section of this Contingency Declaration Form before entering the Tech/Contingency line. IMPORTANT that all information including vehicle number, name, award payable to, mailing address, email address, phone number and Tax I.D. must be complete and legible. You MUST complete all information in this section to be eligible to receive any awards you may have earned! Be aware some companies are not able to mail, ship product or pay awards without a U.S. address or US Tax I.D number even if you reside in Mexico.**
4. **In columns to left of manufacturers listed on this form, check only the manufacturer's products that you are actually using on your vehicle or qualify for. For example: A Class 10 cannot collect a Baja Pit award. Baja Pit awards are only for Sportsman Quad and Moto classes.**
5. **You MUST complete this form BEFORE entering the Tech/Contingency line!**
6. **Contingency form inspection will be located just before Tech inspection near the end of Contingency row. Manufacturers stickers on vehicle will be verified and you will receive a copy of this form.**
7. **Your vehicle will be checked for stickers after you finish and you may be eligible for contingency awards based on your finish position.**
