Race Week Updates

Full course GPS files will be available on our website at 6 pm Monday, the 18th. Files will include 39.10 mile start/finish section.

Updated Racer Brief and new Baja 1000 Penalty Bulletin are now posted on website under Race Info. These will also be included in your racer packet that you receive at registration.

Top 10 Trophy Trucks and new Ford Bronco R have been invited to lead the start of Tech day on Thursday, Nov. 21st. These vehicles will stage at beginning of tech line to lead the tech parade.

Tuesday, Nov. 19th is for Pre-Tech, Stella EVO installation and chassis inspections. Hours are 9 am to 5 pm. Contact SCORE Tech at tech@score-international.com for chassis inspections.

Registration hours on Tuesday are 2 pm to 8 pm. This is an excellent time to register and avoid the anticipated long registration lines on Wednesday and Thursday.

Tech Days are assigned by vehicle class. You must tech on the day specified in the Baja 1000 schedule of events.

Team support persons will need wristbands to enter post-race celebration area. Bands will be issued for up to 10 persons per race team. Complete *Controlled Access Area* waiver (on website) and bring to registration to obtain wristbands.

Steps required to complete Contingency Declaration form are posted in the Race info section. See *Contingency Award Information* for details to qualify for possible awards.
