Important Information

You recently received notice that SCORE has rescheduled the San Felipe 250 to September 19, 2020 and the Baja 500 remains on June 20. You are receiving this email as your team was registered for the San Felipe 250 in March.

Your original San Felipe 250 entry application will remain in effect and this information will be transferred to the September San Felipe race. Online Registration for the San Felipe race will reopen in August. At that time, you will be given an opportunity to update any co-driver/co-rider/navigator information on your entry.

Registration for the Baja 500 will open in May. When you process your entry, you will have the opportunity to apply the fees you originally paid for the March San Felipe race to your Baja 500 entry. If you do not apply these fees towards the Baja 500, or choose not to enter the Baja 500, your San Felipe 250 entry fees will be applied to your September San Felipe entry.

If you choose to apply your San Felipe 250 entry fees towards your Baja 500 entry, full entry fees for the September San Felipe 250 race will be due August 28th. If you do not pay your San Felipe entry fees by this date, you will be charged late fees at the race.

Detailed step-by step instructions on how to apply San Felipe funds toward your Baja 500 entry will be sent to you before the Baja 500 online Registration opens.

At Score International, everyone's safety is our top priority. Please observe the preventive recommendations being made today so you can race tomorrow!

If you have questions or need assistance with other options you must contact Audreonna in Registration by Friday, April 10th, 2020. Please email her at registration@score-international.com. If you do not have access to emails, you may call (775) 852-8907.

Thank You for Choosing to Race with SCORE International
