IMPORTANT INFORMATION

Due to the COVID-19 situation all race activities will be conducted under the health guidelines of a government approved Biosecurity Protocol. SCORE will provide registered race teams information related to COVID-19 protocols during the next few weeks. Register early to ensure that your team does not miss any of this vital information

All race activities except qualifying will be centered at El Dorado Ranch located on Hwy 5 approximately 8.2 miles north of the San Felipe arches. Activities will be restricted to registered race participants and a maximum of up to four (4) essential team persons.

Other guests, spectators, and chase teams will be allowed to view the race from around the race course. The race will be available via live stream on the SCORE website.

SCORE is limiting the number of persons who physically attend on-site registration to only those entering the race and up to four (4) essential team persons. You can reduce the number of persons having to attend on-site registration by utilizing the notarized Participant and Controlled Access waiver forms. Review the Notarized Waiver Tutorial by going to the link below or go to the Race Info page under the Baja 500 logo. Anyone not submitting a notarized waiver must appear in person to register.

The health and safety of our Racers, Sponsors, Media, Fans, Staff and the citizens of Baja California, remains our highest priority.
