Welcome to Baja 500 Racers

In the midst of these unprecedented times and because of the COVID-19 (Corona Virus) pandemic, like the U.S. and the rest of the world, Baja California has experienced various challenges because of this COVID-19 situation and is applying strict Bio-Security Protocols to this event. The protocol prohibits large gatherings at any indoor event. This mandate has required the cancellation of the Baja 500 Drivers meeting.

At this time SCORE is providing course documentation with the information discussed during the event Drivers Meeting on the SCORE website. From the home page, select Race Info, then the Baja 500 logo, the first item on the menu is the Virtual Drivers Meeting, select this menu item. This is a document that will walk you through sections of the race course with comments at the top of each page. The link for the Virtual Drivers Meeting is: http://score-international.com/raceinfo/virtual-drivers-meeting/

Questions regarding the race course can be submitted to Race Director, Abelardo (Jose) Grijalva at race-director@score-international.com. If he receives questions whereby the answers are of interest to all racers, SCORE has established a Frequently Asked Question document on the SCORE website just below the Virtual Drivers meeting where questions and answers will be posted. The link for the FAQ is http://score-international.com/raceinfo/frequently-asked-questions/

Please remember that you are a guest of the people of San Felipe and the government of Baja California who not only welcome you but at the same time urge you to follow at all times important health measures such as wearing a facemask, maintaining safe distance from others and constantly sanitizing your hands.

At SCORE International the health and safety of our racers, sponsors, fans, staff and citizens of Baja California are our highest priority.
