Rules for San Felipe 250 Controlled Access Areas

Issued 3.12.21

Like many places in the U.S., and worldwide, Baja California has experienced numerous challenges because of the COVID-19 situation. The San Felipe 250 will be conducted under the strict health guidelines of a government approved Biosecurity Protocol. The use of Personal Protective Equipment (PPE) and social distancing will be required and NO spectators will be allowed in the SCORE compound at El Dorado Ranch.

All persons eligible for access to El Dorado Ranch must register with SCORE, sign waivers, and receive SCORE wristbands. Masks or helmets and wristband must be worn at all times. It is the responsibility of each team member to read, understand, and follow the requirements. Failure to sign waivers, be banded, and follow health protocols will result in persons being removed from the restricted areas and can result in 15 minutes penalties for a team.

In addition to banded race participants, each team may request wristbands for up to four (4) essential team persons. The definition of an essential team person is someone absolutely necessary to service or repair the race vehicle or extremely important to the operation of the race team. No essential team person can be under the age of 10. All essential team persons must have a picture ID with them at all times as the name on their wristband will be checked against the ID at each entrance.

Although access to area is limited, live streaming will be available on the SCORE website.

Arrival at El Dorado Ranch (EDR)

All team persons must use the South entrance to enter El Dorado Ranch. Entrance is located on the Eastside of Hwy 5 approx. 0.10 mile North of road to Pete's Camp. Do Not Use Main Gate.

Registration Access

The on-site Registration area is limited to persons entering the race as a participant and up to four (4) Essential Team Persons. All must sign waivers and obtain a race weekend wristband.

Essential team persons do not have to attend registration if they pre-sign the *Controlled Access Area* waiver form. Simply print this waiver form from the SCORE website, (select Race Info, the San Felipe 250, Waivers), and have up to four (4) persons sign this form. Bring these signed Controlled Access waiver forms to Registration. The Controlled Access waiver can be submitted with the signed notarized Participant waiver forms and wristbands will be mailed.

Note: Refer to the San Felipe Finish Area section regarding use of one special band that will be provided to each team.

All signatures **must be original**, you cannot have one person sign for others. When you present the waiver form(s) to Registration, if any signature appears to not be original, you will not receive a wristband for that person.

All participants and essential team persons must sign waivers and be banded by the close of onsite registration, Friday, April 16th at 4:00pm. There will be NO WRISTBANDS AVAILBLE AT THE FINISH AREA ENTRANCE.

Controlled Access waiver forms are also available for pickup in the SCORE Ensenada office.
