Important Information Now Available On Our Website

New San Felipe 250 Race Documents Are Now Available

San Felipe 250 GPS Files • Racer Brief • Penalty Bulletin • Course Notes • Border Crossing Info
Post Draw Entry List is now all available on the SCORE Website>Race Info>San Felipe 250 logo

GPS Files in KML, GPX and USR versions are now posted on the SCORE website. Separate files for full course and shorter Sportsman course are available

IMPORTANT Border Crossing Details – All race teams must cross at the Calexico/Mexicali East Border Crossing during their normal times of operations and must obtain the FMM Immigration Form required to enter Mexico. See Border Crossing documentation for details.

Revised Schedule of Events
Registration hours on Thursday have been extended and will start at 9am.

Tech and Contingency - Friday, April 16th is now scheduled to start at **8:00am**. The first 10 TT Qualifiers are invited to open the line at 8am. You must complete your registration and be in the Tech line by 4:00 pm Friday.

Mandatory Aircraft Meeting will be held at The El Dorado Ranch Pavilion at 6pm on Friday, April 16th.

Thursday Chassis Inspection and pickup of Stella III EVO equipment is at The El Dorado Ranch Pavilion not at Pete's camp. However, if you are trailering a race vehicle you must off-load on road to Pete's camp and drive vehicle into tech at EDR.

Onsite Registration – Due to large entry for the San Felipe 250, all teams currently not registered or with incomplete registration should plan on attending onsite registration **Thursday, April 15th**.

If your race entry appears on the Entry List but your co-drivers/co-riders/navigators are not listed, you team registration is not complete. Either your team members do not have a current membership or they have not completed the required co-driver/co-rider registration or both. All non-qualifying teams with incomplete registrations must register on Thursday, April 15th.

Teams with complete registration may come any time Thursday or Friday, April 15th/16th.

All Qualifying Teams must complete onsite registration Wednesday, April 14th

Stella III EVO equipment / Chassis Inspections / Fire Suit and Helmet Inspections on Thursday April 15th - Anube and SCORE Tech will be available on Thursday, April 15th at The El Dorado Ranch. All teams who have not purchased or received Stella III EVO assembly kits must go to this area on Thursday, April 15th. Teams wanting to pick up Stella III EVO units to save time on Friday Tech day are also invited to come Thursday.

SCORE Tech will be doing chassis inspections on Thursday, April 15th, and will be staffed to do fire suits and helmet inspections.

Baja Pits Pre-Running Support – For the safety of racers during pre-running, Baja Pits has established support for racers during the pre-running dates from **April 3 to April 16**.
Location is **Race Mile 78** and available **24-Hours /Day** during this period. They will have fuel for sale, lubricants available and a welder on stand-by. A SAT phone will be available for emergency services.
