Racer Bulletin #1
2021 San Felipe 250

Due to the overwhelming response for entries in the San Felipe 250, SCORE will be introducing some new procedures for this event. These procedures are designed to help racers through the Tech, Contingency, Interview and Registration areas. Over the next nine (9) days you will receive several Racer Bulletins via email from SCORE that will be subject specific. You will need to review the content of each email and take action based on the subject. If you have questions regarding any procedure changes during these nine (9) days, please contact 702-407-3059. As always, for Registration questions contact 775-852-8907.

These subject specific emails will be in addition to the usual emails you receive regarding GPS File, Race Director notes, Course Notes, and any updates to course changes that may develop during pre-running.
