Access to Post-Race Finish Area
(Controlled Access Area)

Each team may request up to five (5) wristbands to allow team guests into the post-race finish area located just after the finish interview ramp. Examples of team guests are team managers, sponsors, family & friends along with pit and chase crews. Any Driver/Rider of Record, and Co-drivers/Co-riders wearing their race participant wristbands will be allowed in the area during the time your finishing team is being interviewed.

At NO TIME will any guests or team members other than those finishing in or on the race vehicle be allowed on the interview ramp. Team members and guests must remain in the designated area just after the ramp.

There will be no wristbands issued in the post-race area on race day. To secure bands in advance, you MUST bring the Controlled Access Area (ex. Start/Finish) waiver form(s) to registration, or if you are mailing in notarized waiver forms you can include the Controlled Access waiver and guest bands will be mailed to you.

To obtain wristbands for your team guests, print the Controlled Access Area waiver form(s) from the SCORE website > select Race Info > select the race logo for the event > Waivers>Controlled Access waiver, and have up to 5 persons sign the form(s), and bring the form(s) to Registration. Printed Waiver forms are also available for pickup in the SCORE Ensenada office.

Simply have each guest sign a waiver form, and bring the completed Controlled Access waiver form(s) to Registration. You may submit multiple forms as long as the total signatures do not exceed five (5).

For anyone under the age of 18 you will also need to print the *Minor Waiver* form and also bring this form to Registration. (Forms are also available in our Ensenada office.)

All signatures must be original; you cannot have one person complete this form and sign for everyone. When you present the waiver form(s) to Registration, if any signature looks like it is not original, you will not receive a band for that person. A parent must sign the form for anyone under the age of seven (7) but must also submit a Minor waiver form,
