Rules for 2021 Baja 400 Controlled Access Areas

Issued 8.16.21

Controlled Access to SCORE Compound

Due to the application of strict health guidelines of a government approved COVID-19 Biosecurity Protocol the start and finish of the SCORE Baja 400 will require the use of Personal Protective Equipment (PPE) and social distancing and NO spectators will be allowed.

The start and finish area and the SCORE Compound will be located on Libramiento Ensenada and accessed off Hwy 3 (Ensenada-Tecate Hwy.) See Directions to the SCORE Compound under Race Info>Baja 400 logo on our website.

All persons eligible for access to the SCORE Compound must register with SCORE, sign waivers, and receive SCORE Baja 400 wristbands. Masks or helmets and wristband must be worn at all times. Failure to follow health protocols will result in persons being removed from the restricted areas and can result in 15-minute penalties to a Driver or Rider of Record for each infraction.

In addition to banded race participants, each team may request wristbands for up to four (4) essential team persons. An essential team person is someone absolutely necessary to service or repair the race vehicle or is extremely important to the operation of the race team. No essential team person can be under the age of 10.

Each team will be provided one (1) additional wristband in your driver packet allowing post-race access to the finish area. (Refer to Baja 400 Finish Area below for complete details.)

Due to the revised protocols, no previously announced policy regarding wristbands will be valid.

There will be **NO WRISTBANDS AVAILBLE AT TECH OR FINISH AREA ENTRANCES**

Registration Access

The on-site Registration area is limited to persons entering the race as a participant and up to four (4) Essential Team Persons. All must sign waivers and obtain a race weekend wristband.

Essential team persons do not have to attend registration if they pre-sign the *Controlled Access Area* waiver form. Simply print this waiver form from the SCORE website, (select Race Info> Baja 400 logo>Waivers), and have up to four (4) persons sign this form. Bring these signed Controlled Access waiver forms to Registration when you register.

All signatures **must be original**, you cannot have anyone sign for others.

Controlled Access waiver forms are also available for pickup in the SCORE Ensenada office.

Tech/Contingency Access

Only banded race participants and banded essential team members will be permitted in the SCORE Compound on Friday.

IMPORTANT: A banded registered race participant, not an essential team member, must drive or steer a vehicle through the Tech/Contingency area.

The first 10 starting spots at the beginning of Tech line are reserved for the top 10 Qualifiers (Not just top 10 Trophy Trucks.) Vehicles participating must arrive by 7:00 AM. A list of the top 10 Qualifiers will be posted on the SCORE website > Race Info > Baja 400 menu on Thursday by noon. Any team arriving after 7:00 AM will be required to get In line behind other teams. No Late Arrivals or shortcutting the line.

All persons in the Tech Line must have gone to registration and be banded prior to putting the vehicle in line. If you are not banded, park in the general parking area and get in the registration line. Once registration is complete, you may pull vehicle in the back of the Tech line.
