Racer Bulletin #3
Tech/Contingency Location in Ensenada

Because of the COVID-19 Bio-security Protocol that will be applied as well as public works projects underway in Ensenada, the location for the Technical/Contingency and Start area November 16th, 17th and 18th will be moved to a new location near the Riviera in a scenic site along the Marina in Ensenada. (See Link below).

Media Registration and Racer Registration will remain in the Red Room at the Riviera del Pacifico Cultural Center.

You may obtain up to eight (8) signatures on the Controlled Access waiver forms for essential team members to accompany you on your assigned Tech/Contingency day, and/or join you at the finish in La Paz. Submit the forms to on-site registration in Ensenada to obtain wristbands. No bands will be available in La Paz.

The new site will be closed to spectators and all racers and team members must be banded for access to the area and will go through a Sanitary Filter and must wear a facemask at all times."

Non-banded team individuals and spectators will be permitted to attend the Saturday evening awards in La Paz.

The health and safety of our Racers, Sponsors, Media, Fans, Staff and the citizens of Ensenada, Baja California as well as La Paz and Baja California Sur continues to remain our highest priority.
