Baja 1000 Wristband Advisory

The Baja 1000 final Entry List is now available on the SCORE website. To all the teams who have their entire team of co-drivers/co-riders and navigators listed, SCORE thanks you for completing the registration process properly.

To Be Properly Registered All Co-drivers/Co-riders, Navigators Must Have Completed Two Items.

- **Have a current 2021 SCORE Membership**
- **Submitted an online 2021 Co-driver, Co-Rider, & Navigator Race Registration Application**

IF YOUR TEAM MEMBER IS NOT LISTED ON THE ENTRY LIST, OR MISSED THE NOTARIZED WAIVER SUBMISSION DEADLINE 10/22 FOR WRISTBAND MAILING, WHAT DO YOU DO?

If co-drivers/co-riders, navigators are NOT listed on the Entry List and did submit a Notarized Waiver form, **NO WRISTBANDS WILL BE MAILED, NOR WILL THERE BE ONE PROVIDED AT ONSITE REGISTRATION, BECAUSE THEY HAVE NOT PROPERLY REGISTERED.**

Here are the options….

If a Notarized Waiver Form was submitted and no band received:

APPEAR IN PERSON AT ONSITE REGISTRATION ONLY: Another team member, may bring proof of membership purchase and a completed 2021 Co-driver, Co-Rider, & Navigator Race Registration Application to onsite Registration. When SCORE verifies valid membership and registration form is received , with the notarized waiver on file the team can pick up the wristband that will be made on site manually for that individual racer. It is the team's **responsibility to ensure all team members are properly banded prior to getting in or on a race vehicle.**

If a Notarized Waiver Form was NOT submitted:

If a team member cannot come to onsite registration, they must purchase their SCORE Membership online, execute a Notarized Race Participant Waiver form (must be dated 03.01.21 at the bottom), and complete a 2021 Co-driver, Co-Rider, & Navigator Race Registration Application form. All forms need to be the original, no copies accepted. When all these requirements are met, a team member will be provided a wristband. It is the team's responsibility to ensure all team members are properly banded prior to getting in or on a race vehicle

Teams with unauthorized (non-banded) individuals in or on a race vehicle will be disqualified.

Individuals must be banded to be covered by the SCORE insurance.

DO NOT EMAIL any forms to the registration email as they are preparing to leave for the race and will not honor your request since the deadline to submit waivers was Friday, October 22nd 2021. ABSOLUTELY NO EXCEPTIONS will be made to this request.
