Media Policy

MEDIA REGISTRATION

SCORE TEAM VIDEO/FILMOGRAPHERS AND PHOTOGRAPHERS

ONLINE ADVANCE REGISTRATION IS REQUIRED

All SCORE and race team personnel, family, friends and/or independent contractors who will be shooting film, video and/or still images for non-commercial posting on the team website and/or team social media platforms, must submit a SCORE Media credential application prior to the close of online registration. Media credential application is available at:
www.score-international.com/score-media.

ONSITE REGISTRATION FOR SCORE AND TEAM MEDIA CREDENTIALS

Team personnel approved via email for SCORE Team Media Credentials must go to the SCORE Media Center during media registration hours to sign Media waivers, be banded, receive a SCORE Media badge and purchase a SCORE Media photo bib.

IMPORTANT

If film/video and/or still images are going to be used for commercial purposes, you must follow detailed instructions found at:
www.score-international.com/score-media.

Teams using drones (UAS) for non-commercial purposes must comply with GL8 rules (SCORE Rule Book) and complete an aircraft registration prior to deadline for event. Drone operators must attend the aircraft pilot meeting for the event.

No drone or any type unmanned aircraft system (UAS) is allowed to operate in the no-fly zone extending 250 yards in any direction from any ceremonial or timed start/finish area. Only SCORE TV and SCORE Live Streaming operations are exempt from this policy.

Badges, wristbands, and Media bibs must be worn at all times including shooting anywhere around the course.
