Controlled Access SCORE Baja 400 Tech Inspection & Start/Finish Areas

Access to Designated Locations

All persons eligible for access to the SCORE designated locations must register with SCORE, sign waivers, and receive SCORE Baja 400 wristbands. Persons that are not banded who do not follow SCORE Officials direction in these areas will result in persons being denied access and can result in 15-minute penalties to a registered team. Be respectful to all staff and volunteers.

In addition to banded race participants, each team may request wristbands for up to five (5) essential team persons. An essential team person is someone necessary to service or repair the race vehicle or is extremely important to the operation of the race team. Refer to Registration Access for information on how to obtain the essential team persons waiver forms and wristbands.

Registration Access

The on-site Registration area is limited to persons entering the race as a participant and up to five (5) essential team members. All must obtain a race weekend wristband in order to attend Tech days and have access to the Finish Area on race day. Essential team members who live in different areas, may submit multiple forms as long as they do not exceed a total of five (5). The DOR or Team Manager can bring the signed form to Registration or the essential team persons can come to Registration.

Essential team persons do not have to attend registration if they pre-sign the ***Controlled Access Area*** waiver form. Simply print this waiver form from the SCORE website, (select Race Info > Race logo > Waivers), and have up to five (5) persons sign this form. Bring these signed Controlled Access waiver forms to onsite Registration when you register to obtain bands.

All signatures **must be original**, you cannot have anyone sign for others. When you present the waiver form(s) to Registration, if any signature appears to not be original, you will not receive a wristband for that person.

All participants and essential team persons must sign waivers and be banded by the close of onsite registration.

NO WRISTBANDS WILL BE AVAILBLE AT TECH OR SATURDAY AT THE FINISH LINE AREA

Controlled Access waiver forms are also available for pickup in the SCORE Ensenada office.
