In-Class Start Order Policy

The Start position order for each event will be determined as follows:

- **SCORE San Felipe 250** – Qualifying classes will be listed in the Schedule of Events. Start positions for all other classes will be determined by a random draw.
- **SCORE Baja 500** – Qualifying classes will be listed in the Schedule of Events. To be eligible to qualify, a team must have raced the San Felipe 250. Start positions for all other classes will be determined by a random draw.
- **SCORE Baja 400** – Qualifying classes will be listed in the Schedule of Events. To be eligible to qualify, a team must have raced the Baja 500. Start positions for all other classes will be determined by a random draw.
- **SCORE Baja 1000** – Qualifying classes will be listed in the Schedule of Events. To be eligible to qualify, a team must have raced the Baja 400. Start positions for all other classes will be determined by a random draw.

San Felipe 250

Qualifying start positions will be determined by the date and time the entry application is received. Qualifying teams will appear on the entry list with the letter "Q". TTs and TT Legends will start intermixed based on qualifying results.

Non-qualifying teams that register and pay race fees in full (100%), including memberships before registration closes will be entered into a random draw for start positions.

Participants who do not register before the deadlines or have not paid 100% of all fees will NOT be entered in the draw or permitted to qualify and will be treated as a Late Race entry.

Late Race Entries received after registration closes will be placed in the order the entry was received behind the teams who met other application requirements to be in the random draw or permitted to qualify.

All rear start requests will be based on the date and time the application is received and placed in reverse order.

Baja 500

Qualifying start positions will be determined by the date and time the entry application is received. Qualifying teams will appear on the entry list with the letter "Q". TTs and TT Legends will start intermixed based on qualifying results.

Non-Qualifying teams who raced the San Felipe 250 will start first in their respective class at the Baja 500 based on the San Felipe order of finish. The DOR/ROR that finishes second in class in the San Felipe race will start second at the Baja 500 and so on. If a team uses an alternate driver or rider in the San Felipe 250 event, the official DOR/ROR will be the one that is given the start position at the Baja 500. Authorized Alternate DOR/ROR for the Baja 500 will start in the order the team finished San Felipe.

Non-qualifying teams that register and pay race fees in full (100%), including memberships before registration closes will be entered into the draw for start positions. Teams who do not meet the qualifying requirements or chose not to qualify at the Baja 500 will have their start positions determined by the random draw.

Participants who do not register before the deadlines or have not paid 100% of all fees will NOT be entered in the random draw or permitted to qualify and will be treated as a Late Race entry.

Baja 500 - *continued*

Draw # 1 – If a San Felipe 250 entry was classified as a DNF and is not one of the qualifying classes, they will be entered into a drawing to determine their Baja 500 start positions in their respective class. This group will start behind the teams credited with a finish at the San Felipe race. Teams disqualified at San Felipe will be given start positions behind teams with a DNF.

NOTE: Start positions earned at San Felipe 250 will be reserved only until the close of Registration in the Ensenada office. San Felipe participants who do not register and pay fees (100%) before the close of registration will be treated as a Late Race Entry.

Draw # 2 - Teams not entered in the San Felipe 250 event that register and pay fees in full (100%) before the Baja 500 application deadlines will be entered into Drawing #2 and will start behind the San Felipe participants in Draw #1.

Late Race Entries received after registration closes will be placed in the order the entry was received behind the teams who met other application requirement to be in the random draw or permitted to qualify.

All rear start requests will be based on the date and time the application is received and placed in reverse order. They will not be based on the San Felipe finish order.
