San Felipe 250 Tech Day Policy Update

Tech/Contingency Access

Only banded race participants and banded Essential Team Members (ETMs) will be permitted in the SCORE Tech Inspection area on Tech Days. You must go to registration prior to placing your vehicle in line at the entrance to Tech. If your team has not been banded, your vehicle will be moved to the side and will not be allowed to enter Tech line until your registration is complete and a banded participant or ETM is available to operate vehicle through Tech.
