

BFGoodrich Tires RACING

Did you know?

BFGoodrich Tires provides pit services for any team racing on BFGoodrich tires. Our full-service support brings you over 40 years of pit support experience. Not only do we provide the GPS files with access roads, race notes, the coveted BFGoodrich map book, we provide the following services at each of our pit locations:

WE OFFER

FULL SERVICE

- **Fueling**
- **Tire Service**
- **Mechanic**
- **Fabricator**
- **Welder**
- **Medic**
- **Interpreter**

Our pit locations are strategically mapped out with reasonable distances between them on the racecourse, so you have our pit support when you need it.

Along with our pit support services, we also provide Relay services in strategic locations so that there is always radio communication between your racer and our pit support. BFG Relay has helped in many emergency situations when a team is looking for their race vehicle.

Please consider signing up for our full-service pit support as this provides you the most comprehensive pit support service in Baja. Here is the link to our registration site: **2024 SCORE Baja 400 BFGOODRICH PIT SUPPORT (in English and Spanish)**

Full Service - $400

Emergency Only - $200

Additional Map Books - $75
