Important Racer Information on our Website!

- **Race Information document with weeklong schedule and detailed information on staging times, VCP's, speed zones, checkpoint locations and close times and important communications information for your entire team.**
- **Baja 400 GPS Files - Includes KML, GPX and USR Zipped versions for the pre-running section of the Baja 400 course.**
- **Course Notes in printable form are posted for both full Baja 400 course and also the Special Sportsman Shortcut sections**
- **Latest Baja 400 Entry List… Any additions or corrections to your listing must be emailed to SCORE Registration before Monday September 2nd at 5pm. List is in the order of qualifying or race start for non-qualifying classes. Make sure you know your start position. List is used by Border Officials for entrance into Mexico.**
- **Reminder… For all Trophy Truck, TT Legends and TT Spec entries planning to qualify, registration hours are 2pm to 7pm on Tuesday, Sept 10th. If you already received your wristbands, someone on your team still needs to pick up your driver packet in registration.**
- **LiveTime will install a transponder for Wednesday qualifying. Unit will be removed after your qualification run, and a new unit will be installed during Tech day on Friday, Sept. 13th.**
- **Print the Contingency Declaration Form from our website, complete the form and bring to tech and give to Contingency personnel.**
- **►Complete the *SCORE RELAY MANDATORY RADIO INFORMATION TODAY* - This is critical and is required for all teams… If you need medical assistance or for some other emergency, we need to be able to communicate with you and your team. Complete the SCORE Relay Radio information form listed on Baja 400 Race Menu.**
