Dear Teams and Pilots: Jul 27, 2026

As a result of new regulations applied by Mexico's Civil Aeronautics Federal Agency (AFAC) regarding the operation of Helicopters, SCORE International has been working in coordination with State and Federal authorities to facilitate obtaining all of the necessary permits.

In order to do so all teams that will have Helicopter support during the race will be required to comply with the following requirements and submit payment of fees by August 21st at 5pm.

Register as in the past, email **aircraft@score-international.com** if you have any questions. **2026 SCORE BAJA 400 - Aircraft Registration & Requirements**

You are required to provide pilot, aircraft, and ownership information, along with the documents listed below and attend the Mandatory Aircraft Pilot Zoom call. By obtaining permission to fly, you are representing you understand the Mexican laws relative to aircraft ownership and operation. Failure to attend the meeting and failure to abide by SCORE and AFAC policies will result in a penalty against the affiliated teams(s) up to and including disqualification. Compliance with SCORE rule GL8 is required at all times.

Submit Required Documents:

1) Submit a Certificate of Liability from your aircraft liability insurer, naming SCORE International S de RL de Cv., and Promote Mexico, LLC, dba SCORE Marketing as additionally insured. All notices of policy changes are to be sent to **aircraft@score-international.com**. The minimum insurance amount required is $1,000,000 (One million) USD.

2) Submit a notarized ALL INCLUSIVE – EVENT AND RELATED ACTIVITIES GENERAL WAIVER, RELEASE, CONSENT AND INDEMNIFICATION AGREEMENT (Aircraft/Unmanned Aircraft Systems (Drone) waiver form.) If the pilot is different than the owner, both parties must sign and submit waivers.

New Starting with the 2026 Baja 400 and all future races:

Each team must pay directly to SCORE the amount of $1,300.00 USD, which must be paid via bank transfer no later than 5pm August 21st or you will not be granted permission to fly in Mexico. SCORE will make payment to the AFAC on your behalf.

Payment of the fee covers processing costs, manuals, AFAC fees and a mandatory Mexican general liability insurance in the amount of $700,000.00 USD. SCORE has acquired the mandated insurance policy required by the AFAC. You do not need to obtain a policy. The insurance is part of the fees.

Again, the $1,300.00 USD amount must be paid by the deadline of August 21st 5pm. As proof of payment, submit a copy of the Bank Transfer Receipt (from Bank in PDF) to aircraft@score-international.com. You registration is not complete until this is received.

Sincerely,
Jose Abelardo GRIJALVA CARRANZA
President and Race Director
SCORE International, S. de R.L. de C.V.
Ensenada, Baja California, Mexico.
